## PROFILE

Passionate IT student at NHL Stenden with hands-on experience in software development, web & mobile applications, and agile methodologies. A fast learner who works well in team environments and enjoys tackling new challenges. Open to opportunities where I can contribute, learn, and grow as a developer.

## WORK EXPERIENCE

- **Karomtec SRL - Romania** 2019 - 2021  
IT Support - Part-Time
  - Installed and configured Windows systems, ensured optimal PC performance, resolved hardware/software and internet connectivity issues.
  - Set up and managed remote access solutions using tools like AnyDesk and TeamViewer for efficient off-site support.
- **B&S - Delfzijl, Netherlands** Sep 2025 - Jan 2026  
Software Engineer Intern (On-site)
  - Worked with Angular and .NET Framework to migrate an internal desktop application to a modern web-based system
  - Developed front-end components and integrated back-end APIs
  - Collaborated with development teams using Agile/Scrum methodologies

## EXTRACURRICULAR ACTIVITIES
